SVERI's College of Pharmacy, Pandharpur
# Institutional Development Plan (IDP)
A.Y. 2023-2024

The Institutional Development Plan (IDP) has been framed for further development of the Institute in six broad areas namely,

1) Infrastructure and Modernization
2) Academics
3) Research & Development, Consultancy & Extension Activities
4) Industry-Institute Interaction and Entrepreneurship
5) Human Resource and Development
6) Student Support and Development

The detailed IDP is as given below:

Sr. No.	Key Areas	Plan
1.	Infrastructure and Modernization	• Modernization of Classrooms and Labs as per requirement • Renovation of Toilet Blocks, College Canteen, Hostel Mess, etc. • Upgradation of IT facilities such as Computers, RAM, processors, etc. • Establishment of Entrepreneurship Centre
2.	Academics	• Implementing NEP 2020 Initiatives • NAAC accreditation • Obtaining Academic Autonomy • Incorporating Entrepreneurial Pedagogy through active and experiential learning • Enhancing internship and project-based learning
3.	Research & Development, Consultancy and Extension Activities	• Enhancing Research and Consultancy • Enhancing collaboration with the advanced knowledge partners • Promoting various activities through student bodies. • Enriching Extension activities by working with various other organisations.
4.	Industry- Institute Interaction and Entrepreneurship	• Enhancing Collaborative activities with Industry in the domain of Training, Process/Product Development, Consultancy, etc. • Involving Industry personnel for enriching the Teaching-Learning, Students' Projects, and Placement related activities. • Focusing on the enrichment of Industry catering Laboratories/facilities

Sr. No.	Key Areas	Plan
5.	**Human Resource and Development**	• Enhancing the required skills in the emerging areas of Faculty and staff through Skill development programs/FDP/Conferences, etc. • Organising Skill Development Programs (SDPs)/FDP/Conferences, etc. in the emerging areas • Organizing Administrative, Professional and Personality Development Trainings • Organising various Welfare and Wellness activities
6.	**Student Support and Development**	• Creating and Implementing the Program for Holistic Development of students • Providing Add-on and Skill-based Courses for enhancing the placement quality • Creating a conducive environment for improving performance in competitive examinations • Improving participation of students at the State and National level events and activities • Enhancing the Students' Collaborative Activities • Implementing Students' Wellness and Societal Engagement related programs
